

## STATE TO RETAIN NATIONAL GUARD WITHOUT NEW LAW

ALBANY, N. Y., Feb. 12.—The return of National Guard Units to State service can be brought about without legislation at this time, Gov. Smith informed the legislature in a special message to-day, transmitting the report of a committee of military officers appointed by Adjutant General Berry to make recommendations as to the military policy of the State. The report was signed by Col. Cornelius Vanderbilt, Chairman, and Col. Charles E. Walsh, Secretary.

The recommendations of Col. Vanderbilt's Committee follows:

"That the Adjutant General of the State immediately order each unit commander to take all necessary steps for the reorganization of his command so that it will attain the standard required by the National Defence Act of 1916.

"That when a unit reports that it is reorganized according to the required standard, and ready for inspection, the Adjutant General shall immediately take such steps as may be necessary to obtain arms and equipment for that organization from the Federal Government.

"That where a unit as a company, battalion or regiment occupies an armory, the commanding officer thereof shall make such arrangements as may be possible to have units returning from Federal service March to their respective armories with such escort, ceremony and welcome as may be proper for the occasion, and that as soon as possible thereafter he confer with the officers of the returning organization and make such mutual arrangements as may be possible to secure their return to the military service.

"That where two or more officers of the same grade are available for a single position, the matter shall be referred to the division commander."

### MR. FAMILY MAN:

Why Spend So Much Money on Shoes?

Here is what Tracy Munson of Joplin, Missouri, says of Neolin Soles: "Judging from my own experience, they wear four times longer than other soles and have the additional advantage of being waterproof and slip-proof."

Why continue to wear extravagant old-fashioned soles when you can get these money-saving, long-wearing soles on new shoes in any style you like for any member of the family? Good shoe stores everywhere carry them.

And don't throw away your old shoes. Have them re-bottomed with Neolin Soles and enjoy the comfort of a re-soled shoe which is not stiff or clumsy. Neolin Soles are a discovery of Science, and are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

### Neolin Soles

**Check and Abort a Bad Cold**  
In Five Hours With MENTHO-LAXENE.

You Buy It Concentrated and Mix With Pint of Syrup.

Doubtless every reader recalls having neglected a slight cold until in 24 hours it settled into a "Bad Cold" and then about 72 hours of distress, discomfort, if not weeks of bronchitis or pneumonia or catarrh. Now comes, if you've had such an experience, and take time by the forelock by preparing to check and abort colds, coughs, catarrh, difficult breathing, watering eyes and painful headaches.

It can be done, by taking Mentho-Laxene either in its raw state—ten drops to the tea—by making a granulated sugar syrup and mixing in a pint bottle or jar. A pint will last a whole family for a long time and keeps every member free from the distressing after-effects of a bad cold. Mentho-Laxene is sold by all good druggists everywhere. A 2½-ounce bottle of the concentrated essence makes a full pint of the most effective cold and cough medicine. Directions and guarantee of satisfaction accompany each bottle.—Advt.

### "BEST EVER" BALMWORTH KIDNEY TABLETS

Mr. Chas. Atwell, 288 N. Champion Ave., Columbus, Ohio, writes: "I find that Balmworth Kidney Tablets are the best that I have ever used for Kidney and Bladder trouble. I am sure that they will cure me," etc. Mrs. M. J. Mader, 100 W. Abriendo St., Pueblo, Colo., writes: "I have used Balmworth Kidney Tablets and find them highly satisfactory." If weakness, rheumatic pains, "blues," etc., affect you, try the immediate benefits of taking Balmworth Tablets. All druggists sell them.

In Eighteen Twenty-Six, a man by the name of *M'Intyre* offered a reward for his "fine drab Surtout," taken by a thief. It had a high "figured" collar and was lined with VELVET and SILK.
